Based on,
All the Disney movies ever.

1. INT. BEDROOM

Close up of lilac apple in the mouth of Man 1. Close up of his hand fiddling with red rose petals on white sheets. Close up his bare feet rubbing against each other. God view's point of the entire wide shot - A man lying on a bed, apple in mouth, with rose petals on bed, staring up into nothingness. His eyes shift to the side wall. POV of him staring at the clock as it strikes 12am.

2. EXT. FANCY STAIRCASES

We see him walking down the stairs as he his hurling heels to his left and right, when the heels land - we hear a shattering noise. Close up of him kissing his last heel and hurling it behind him.

3. EXT. QUARRY

Wide shot of the view and the shadow of this man, balancing a book on his head as he walks across from one point to another.

4. EXT. ONE OF THE ROCKS ON THE QUARRY

He steps into the sunlight and he begins to sing.

MAN 1

I see the world a different way.
I've always yearned a brand new
day. A dream, a wish, I'd see it
through, to start again and live
anew. [Interacts with nature]

Roving shot of MAN 1. Close up of the scenery around him. Close up of birds chirping.

5. INT. OUTSIDE HIS BEDROOM

Close of his face looking confused as he looks left and right. Close up of a bright mustard apple placed outside his room. He picks the apple up and walks into his room.

THE END.
